

## 619C (2,3,4,6): Cohort Students Attained the Vision Goal Completion Definition

**Student Group:** General Admit Cohort Students

**Background Information:** <https://datavista-staging.cccco.edu/background-info/C>

**Metric Type/Category:** Success

**Last Updated Date:** 04/23/2025

**Description** Among students in the cohort, the unduplicated count of students who earned one or more of the following: Chancellor's Office approved certificate, associate degree, and/or CCC baccalaureate degree, and had an enrollment in the selected year in the district that they earned the award within 2, 3, 4, or 6 years

**Notes** Information displayed will continue to be updated for this metric as students are found to meet the criteria in the metric definition. Since the timeframe for data collection to construct this metric within this cohort view is still open, the data displayed for these metrics will continue to be updated.

The Vision for Success Goal definition of completion does not align to the Student Centered Funding Formula Definition of Completion for two reasons:

- For all completion, the new SCFF definition requires that the student be enrolled in the selected year in the district where the student earned the award. However, the Vision Goals do not require enrollment in the same district.
- For CO approved certificates, SCFF does not include SP02 = B or M. However, the Vision Goals do include SP02 = B and M.

For display on the cohort view dashboard for Completion Metrics, the default will be 619Cx with a drilldown option to see "Other Completion Metrics"

- 631Cx All Cohort Students Who Earned an Associate Degree
- 608Cx All Cohort Students Who Earned an Associate Degree for Transfer
- 607Cx All Cohort Students Who Earned an Associate Degree (not for transfer)
- 603Cx All Cohort Students Who Earned a Chancellor's Office Approved Credit Certificate

Students who have earned multiple Chancellor's Office Approved Certificates or degrees are counted once and deduplicated

Does not include local awards

"M" (Certificate requiring 8 to fewer than 16 semester units and "N" (Certificate requiring 16 to fewer than 30 semester units) were added in summer 2019
