

641C (2,3,4,6): All Cohort Students Who Attained the Vision Goal Completion Definition or Who Transferred to a Four-Year Institution

Student Group: General Admit Cohort Students

Background Information: <https://datavista-staging.cccco.edu/background-info/C>

Metric Type/Category: Success

Last Updated Date: 09/22/2025

Description EITHER among students in the cohort, the unduplicated count of students who earned one or more of the following: Chancellor's Office approved certificate, associate degree, and/or CCC baccalaureate degree, and had an enrollment in the selected year in the district that they earned the award within 2, 3, 4, or 6 years.
OR among students in the cohort who earned 12 or more units at any time and at any college and who exited the community college system in the selected year, the number of cohort students who enrolled in any four-year postsecondary institution in the subsequent year or 4 years after for 3 year cohort, 5 years after for 4 year cohort and 7 years after for 6 year cohort

Notes The Vision for Success Goal definition of completion does not align to the Student Centered Funding Formula Definition of Completion for two reasons:

- For all completion, the new SCFF definition requires that the student be enrolled in the selected year in the district where the student earned the award. However, the Vision Goals do not require enrollment in the same district.
- For CO approved certificates, SCFF does not include SP02 = B or M. However, the Vision Goals do include SP02 = B and M.

Students who have earned multiple Chancellor's Office Approved Certificates or degrees are counted once and deduplicated

Does not include local awards

"M" (Certificate requiring 8 to fewer than 16 semester units and "N" (Certificate requiring 16 to fewer than 30 semester units) were added in summer 2019

For transfer, information displayed will continue to be updated for this metric as students are found to meet the criteria in the metric definition. Since the timeframe for data collection to construct this metric within this cohort view is still open, the data displayed for these metrics will continue to be updated.

The 4-Yr transfer metric is aligned to the original SCFF definition. However, it will not align to the 2021-22 SCFF definition where the 12 or more units have to be earned in the district in the selected year prior to transfer

For transfer, only students with valid social security numbers can be tracked

For transfer, all colleges where a student is enrolled in the selected year prior to transfer will receive credit for that transfer
