

202A (E): Students with 12+ Instructional Contact Hours (Participants)

Student Group: CAEP Adult Learners

Background Information: <https://datavista-staging.cccco.edu/background-info/A>

Metric Type/Category: Students

Last Updated Date: 12/15/2025

Description Among all Reportable Individuals (200A), the number who received 12 or more hours of instruction or positive attendance hours, across all enrollments, in an adult education program.

Note: Due to the continued challenges noncredit community college institutions have faced in reporting student attendance hours for noncredit distance education courses, the hour threshold requirement in this metric is not enforced for noncredit community college students during spring 2020 and all terms in 2020-21, 2021-22, 2022-23, or 2023-24. An enrollment record in an adult education program is used as a proxy for the hour threshold component of this metric during the timeframe.
