

602A (E): Participants in ESL, ABE and ASE who Transitioned to Postsecondary

Student Group: CAEP Adult Learners

Background Information: <https://datavista-staging.cccco.edu/background-info/A>

Metric Type/Category: Transition

Last Updated Date: 12/15/2025

Description Among all Participants in ESL, ABE and ASE (133A), the number who transitioned to postsecondary by enrolling in either a K12 adult education or community college CTE course, or a non-developmental credit college course for the first time at any institution within the same or subsequent year.

Notes This calculation is based on TE and COMIS data, and therefore does not include students who transfer to a four-year institution unless they have been flagged in TE under HasTransitionToPostSecondary.
Because this metric allows for the student to meet the outcome in a subsequent year, data will not be available for the most recent year.
