Background Information: <https://datavista-staging.cccco.edu/background-info/A>

Metric Type/Category: Transition

Last Updated Date: 12/15/2025

Description Among all Participants in ESL, ABE and ASE (133A), the number who transition by enrolling in a non-developmental credit college course for the first time at any institution within the same or subsequent year.

Notes This calculation is based on TE and COMIS data, and therefore does not include students who transfer to a four-year institution.
Because this metric allows for the student to meet the outcome in a subsequent year, data will not be available for the most recent year.
