Student Group: CAEP Adult Learners

Background Information: <https://datavista-staging.cccco.edu/background-info/A>

Metric Type/Category: Transition

Last Updated Date: 12/15/2025

Description Among all Participants in ESL, ABE, and ASE who Transitioned to a Non-developmental Credit College Course (637A), the number who subsequently earned six credit units at any California community college within the same or subsequent year.

Notes The outcome for this metric is only found in community college data.
 Note: Consider using STD5 SUM OF UNITS EARNED each term instead of summing SX03 across all enrollments since all credits are included.
 Because this metric allows for the student to meet the outcome in a subsequent year, data will not be available for the most recent year.
