

641S (A,B,U,W,Z): Students Who Attained the Vision Definition of Success or Who Transferred to any Four-Year Institution

Student Group: Comprehensive Snapshot

Background Information: <https://datavista-staging.cccco.edu/background-info/S>

Metric Type/Category: Success

Last Updated Date: 10/08/2025

Description EITHER among students in selected student journey, the number of students who earned one or more of the following: Chancellor's Office approved certificate, associate degree, and/or CCC baccalaureate degree, and had an enrollment in the selected year in the district
OR among students in selected student journey who earned 12 or more units at any time and at any college up to and including the selected year and who exited the community college system, the number of students who enrolled in any four-year postsecondary institution in the subsequent year

Notes Students who have earned multiple Chancellor's Office Approved Certificates or The Vision for Success Goal definition of completion does not align to the Student Centered Funding Formula Definition of Completion for the following reason:
For CO approved certificates, SCFF does not include SP02 = B or M. However, the Vision Goals do include SP02 = B and M.
Students who have earned multiple Chancellor's Office Approved Certificates or degrees are counted once and deduplicated
Does not include local awards
"M" (Certificate requiring 8 to fewer than 16 semester units and "N" (Certificate requiring 16 to fewer than 30 semester units) were added in summer 2019
This 4-Yr Transfer part of the metric is aligned to the original SCFF definition. However, it will not align to the SCFF definition where the 12 or more units have to be earned in the district in the selected year prior to transfer
For transfer, only students with valid social security numbers can be tracked
For transfer, data will not be displayed until two years after a student exits the system.
For transfer, a student is included in a transfer count for a college if that student had any enrollment value in the college the selected year before they transferred to a four-year institution
