Student Group: Comprehensive Snapshot

Background Information: <https://datavista-staging.cccco.edu/background-info/S>

Metric Type/Category: Success

Last Updated Date: 01/07/2026

Description Among students in selected student journey, the number of students who earned 12 or more units at any time and at any college up to and including the selected year, and who enrolled in any four-year postsecondary institution in the subsequent year

Notes This metric is aligned to the original SCFF definition. However, it will not align to the SCFF definition where the 12 or more units have to be earned in the district in the selected year prior to transfer
 Only students with valid social security numbers can be tracked
 A student is included in a transfer count for a college if that student had any enrollment value in the college the selected year before they transferred to a four-year institution
 If a student shows up as a transfer student in two different transfer categories (i.e. CSU or UC and out of state) then that student is counted in both categories
